PHILIP MORRIS COMPANIES INC. INTER-OFFICE CORRESPONDENCE

120 PARK AVENUE, NEW YORK, N.Y 10017

TO: Frederick H. Dulles DATE: March 24, 1986

FROM: Lee Pollak

SUBJECT: Cigarette Ingredients--U.S. Legislation

I attach the following, all of which relates to the submission on April 2, 1986, of a list of cigarette ingredients used by the six large American manufacturers to the U.S. Department of Health and Human Services:

(1) A memorandum summarizing the details as to the submission

(2) A copy of the relevant statutory provision

(3) A suggested statement for Philip Morris to use in responding to inquiries concerning the submission of the ingredient list

I believe the statement is appropriate for use by our foreign affiliates and would suggest that you make it available to field management. In doing so you should emphasize the importance of not going beyond this statement in responding to questions.
